

## ANNUAL REPORT

The seed of Vishnu School was planted in 2003 by our beloved chairman K V Vishnu Raju garu fulfilling the vision of the legendary patron and founder chairman Padmabhushan Dr. B.V. Raju garu who wanted to establish a unique school in this region.

The School being set in the heart of a sprawling, lush green campus amidst many colleges, the students and faculty of the school have the rare opportunity of availing themselves of the lab facilities, library etc. in each of these colleges, which is a truly unique feature of this institution.

We started sprouting in the year 2003 with 83 students and 18 staff members. Our school is progressing with an expanding team as a part of its continuing journey and now we have approximately 1100 students and 75 staff members.

### CURRICULUM

Our school is committed to provide quality education to promote intellectual, social and cultural vivacity among its learners. We follow CBSE curriculum since 2010 for focusing on holistic development incorporating co-curricular activities and life skills.

The courses offered for the students of classes XI and XII are M.P.C (Mathematics, Physics, Chemistry) and Bi.P.C (Biology, Physics, Chemistry). Along with these subjects, Informatics Practices (IP) and Physical Education (PE) are the elective subjects.

English (Core) is the Common subject for both the groups.

### ACCOLADES

Our school has received Academic Excellence Award 2017 by Creative Minds Olympiad Foundation.

We also received Sir C V Raman Young Genius Award in 2010 by Suchir India Foundation in the State Level Science Talent Test.

Our school received GOBAR TIMES Award by the Centre of Science and Environment under Green School Programme in 2013.

Also we feel immense pleasure to inform you that we have received prestigious National School Sanitation Award 2012 from the Honourable Former Minister Dr. M M Pallamraju, Cabinet Minister for HRD, New Delhi.

## **IMPORTANT EVENTS**

Vishnu School has been facilitating various indispensable events for the integral development of the students. One among them is

**Eko Galaxy** which is an awareness program that has been implemented in our school in 2023 for the students of VII to XII classes, focusing on United Nations Sustainable Development goals i.e., how to sustain the world clean and green in various climatic conditions.

An Education outreach program, **Women in Data Science (WiDS)** was introduced first in India in our school in January 2021 with 72 secondary school students by Stanford University to meet, engage, discuss and learn the latest updates in business, education & research.

**INVENT** is one of our innovative practices in which about 200 students were benefited by internship program of Global Student Intern Program led by leadership teams of Microsoft with Edtech as a subject for students of classes VIII to XII. This internship program was built to help students learn through the real experience of running a company for few months. It was started in the month of May 2020 and completed by June 2021.

Through **PODCAST**, we have been showcasing our student's hidden talents since 2019. So far 100 episodes have been released.

**TALSCOUTS – Transformers 2020-21** is a global youth social innovation challenge program with 17 sustainable development goals as laid out by UNO. This event is aimed at

student's creativity, talent in social entrepreneurship & citizenship. 47 students enrolled and participated virtually.

On the occasion of international day of education i.e., 24<sup>th</sup> January 2021, 40 hours long **Virtual Reading Marathon** was conducted. 28 students from our school participated and narrated stories in Telugu & English for the visually impaired students.

Two of our students M Harika Sridevi and Bh Harshitha had participated in a 10 days session of **Girls Gearing Up** International Leadership program at Pune in 2022 to develop global minded female leadership to work for Sustainable Development goals.

**Atal Tinkering Lab** is one of the prestigious achievements of our school, set up by the government of India under Niti Aayog in 2016, which serves as a platform for the young minds to give shape to their ideas, challenge themselves by coming up with high rigour ideation using aspects of STEM (Science, Technology, Engineering and Math).

As a part of **Azadi ka Amrit Mahotsav**, our great freedom fighter Manyam Veerudu Alluri Sita Rama Raju's 125<sup>th</sup> birth anniversary was celebrated from 27<sup>th</sup> June 2022 to 4<sup>th</sup> July 2022.

**Bhasha Sangam** is a part of Ek Bharath Shreshta Bharath was celebrated in our school from 22<sup>nd</sup> November 2018 to 21<sup>st</sup> December 2018 to promote National integrity and provide multilingual exposure to our students in 22 Indian languages.

Every week **News Bulletin** is being released to make the students aware of the current affairs and our school updates.

Weekend wonders are shared by our students in our school blog named **VISHNUlokam**.

**Freedom:** Our students from I to VIII classes have registered in One Billion Reader Club, International Board and secured First Place in South Region and Second Place in National Level

**Zero Waste Management:** Our school is a part and parcel of a prestigious project named Solid Waste Management System to bring awareness about the zero waste management and to inculcate the habit of segregating dry and wet waste.

**Library:** Our school offers excellent facilities to improve the students' library experience, inspiring them to read more and gain more knowledge.

**Laboratories:** Our school has various lab facilities for Physics, Chemistry, Biology, Math and Computer which are equipped with a variety of subject relevant equipment to allow for an experiential learning.

## **ACHIEVEMENTS**

Our students have brought laurels wherever they have been sent to participate in the competitions.

1. M Harshavardhan got 93.03 percentile in JEE mains 2023 and 6188 rank in AP EAPCET-2023.
2. D Keerthika got 90.28 percentile in JEE mains 2023 and 18374 rank in AP EAPCET-2023.
3. K Lasyanjana, V Sharmila and P L S Vaishnavi bagged the First prize and Bh Bhavya secured the 2<sup>nd</sup> prize at District Level and M Sohith Kalyan won First prize at School level in Geeta chanting competition conducted by Satya Sai Seva Trust in the year 2023.
4. M Harika Sridevi of class X got 1<sup>st</sup> place in zonal level in Telugu Essay writing competition "Acharya Devobhava" in the year 2023.

10. M Lakshmi Suma of class XII won Gold Medal in State Level Swimming competition held at Tirupathi in the year 2020.
11. Master. M Karun Kumar of Class XI won second place in State Level Swimming Competition held at New Delhi in the year 2019.

## **CELEBRATIONS**

Celebrating festivals at school fosters cultural awareness, promotes inclusivity and strengthens community bonds. In keeping with the tradition and culture of India, our school celebrates all National and State Festivals in a grand manner. Some of them are Independence Day, Republic Day, Krishnastami, Teacher's Day, Children's Day, Founder's Day, Graduation Day, Science Day, Math Day, Language Days, Varalakshmi Vratam, various concept days like Monsoon Day, Red concept day and so on.

## **PARENT TEACHER MEETINGS**

Parent Teacher meetings are conducted periodically to enhance the information conveyed by report cards by focusing on student's specific strengths and weaknesses in individual subjects and generalizing the level of inter-curricular skills and competences.

## **TEACHER EMPOWERMENT PROGRAMS**

Teacher empowerment programs are crucial as they enhance educator's skills, confidence, and effectiveness. Empowered teachers contribute to a positive school culture, improved student outcomes and adaptability to evolving educational landscapes. Our school organized a series of workshops in significant aspects like life skills, stress management, Experiential Learning, 21<sup>st</sup> Century skills etc.

Our teachers were also empowered in VEDIC, set up by our management in Hyderabad to develop multiple skills for students as well as teachers.

### **FROLIC EXPLORATIONS**

Excursions and Fields trips enhance academic understanding by connecting theoretical knowledge to real world applications. Additionally they stimulate curiosity, promote team work and offer break from routine, contributing to overall student engagement and enthusiasm for learning.

To reinforce experiential and contextual learning and to take learning beyond four walls of the class room, we have been organizing educational excursions to various places like Kerala, Karnataka, Tamil Nadu, New Delhi, Himachal Pradesh, Punjab etc.

### **KNOWLEDGE CENTRE, KUMUDAVALLI**

To accomplish the needs of Government School Students, Knowledge Centre, a Nodal Centre of excellence in School Education has been established in Kumudavalli village in the year 2006.

Talent Test will be conducted for the students of government schools adopted by our knowledge centre and cash prizes will be awarded.

### **CO-CURRICULAR ACTIVITIES**

**MUSIC AND DANCE:** Music and Dance help our children to develop skills such as cognitive growth, problem solving, self- expression and social development. Our school students avail the opportunity of learning music from Vishnu School of Music.

**SPORTS AND GAMES:** To improve self-esteem, social skills and confidence among students and help them to stay fit, our students regularly practice Volley Ball, Basket Ball, Shuttle, Table Tennis, Tennicoit, Kho-Kho, Kabbadi, Cricket, Athletics etc.

In addition to these our school provides opportunities to learn Chess, Karate, Swimming, Squash, Fencing, Kayaking etc.

### **FUTURE ENDEAVOURS**

Our constant endeavour is to challenge the normal and go beyond the ordinary by setting up a robotic and AI lab to enhance learning and gain hands on experience.

### **CBSE RESULT**

We always feel proud and honoured with our 100% pass result of X and XII classes since 2010.

### **CONCLUSION**

We continue our unceasing efforts to mould the younger minds into well balanced personalities with confidence and zeal befitting the students of this portrait of education. The continuous support of our management, enable us too far to bring the ideology of education in shape. Teachers and entire staff members also deserve applause for their tireless efforts in implementing the route map of importing quality education to our students.

Thank you very much

[R. SATHIYA MOORTHY]
